

**SAVE THE DATE/FAREWELL SYMPOSIUM
PROF. DR. THOM PALSTRA
FRIDAY OCTOBER 11TH 2024**

"FASCINATION FOR MATERIALS"

On Friday October 11th 2024, Thom Palstra will retire from his position as professor at the University of Twente. The title of his Valedictory Lecture will be: "Fascination for Materials".

In the morning (10-14h) there will be a symposium of lifetime colleagues. The symposium is entitled:

"Progress and Current Challenges in Electronic Materials".

It takes place in Waaier 2. Speakers include:

Prof. B. Batlogg (ETH Zurich)
Prof. Y. Iwasa (U Tokyo)
Prof. H. Takagi (Max Planck Inst. Stuttgart)

Dr. A. Aqeel (U Augsburg)
Prof. P. van Loosdrecht (U Koln)
Prof. M. Loi (RU Groningen)
Dr. M. Kamminga (U Utrecht)
Prof. B. Noheda (RU Groningen)
Prof. O. Jurchescu (Wake Forest U)

The Valedictory Lecture of Thom Palstra will start at 15h also in Waaier 2. After the lecture, a reception will be held from 16-18 h in the Foyer.

For registration, see the link in the e-mail.
