

CANVAS

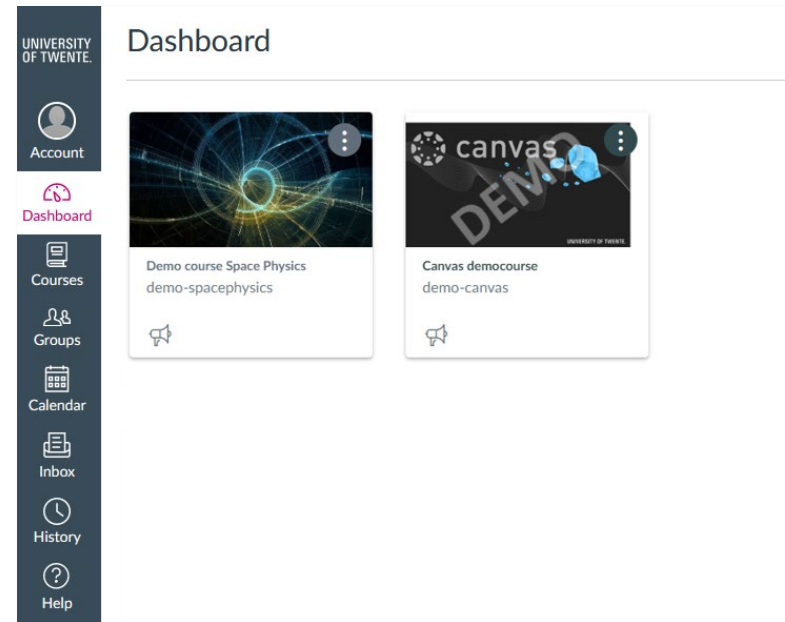

OVERVIEW

- Canvas is our **Learning Management System** at the University of Twente. You use Canvas to:
 - Access course content (for example lecture slides)
 - See announcements and messages from teachers
 - Sign up for groups
 - Collaborate with your group
 - View and submit assignments
 - Take online (practice) quizzes
 - Check feedback and (partial) grades
- Login to Canvas: canvas.utwente.nl, enter your UT email and password

CANVAS

ACCESS TO COURSES

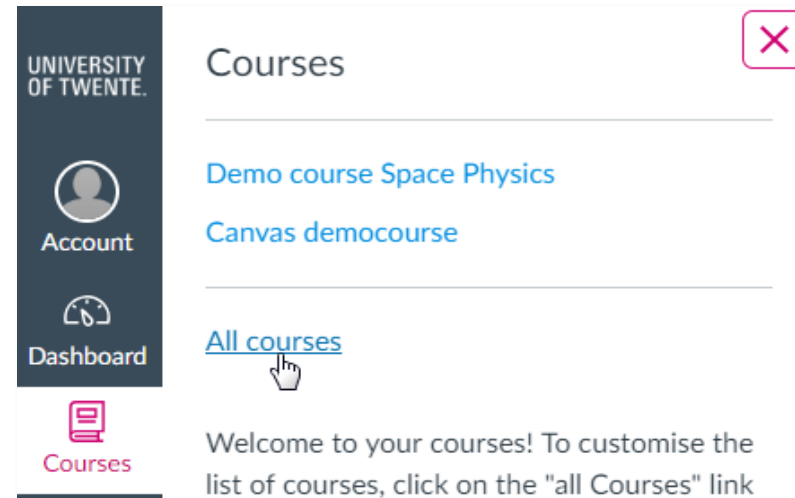

- The first thing you see when you log in, is the **Dashboard** with (some of) your courses.
- Click on a course card to enter the course.

CANVAS

ACCESS TO COURSES

- You can also click on **Courses** to view **All courses**. This list can contain courses that are not displayed on the Dashboard (for example Future enrollments).
- To favorite a course, click the star next to a course. Course favorites will display in the Dashboard.

CANVAS

ACCESS TO COURSES FROM YOUR STUDY PROGRAM

- For courses from your study programme, you first have to register for the course in OSIRIS.
- After that, you will automatically be enrolled in the corresponding course in Canvas.
- From two weeks before the start of the quartile, the course will be accessible from the Dashboard. Before that, the course will be listed under 'Future enrolments' in Courses and is not accessible yet.
- Registration (in OSIRIS) can be done up until the last day before the start of a quartile

CANVAS

NAVIGATE YOUR COURSE

- Once you are in a course, click **Announcements** in the Course Navigation to keep yourself updated on your course.

ACCESS TO YOUR GROUPS

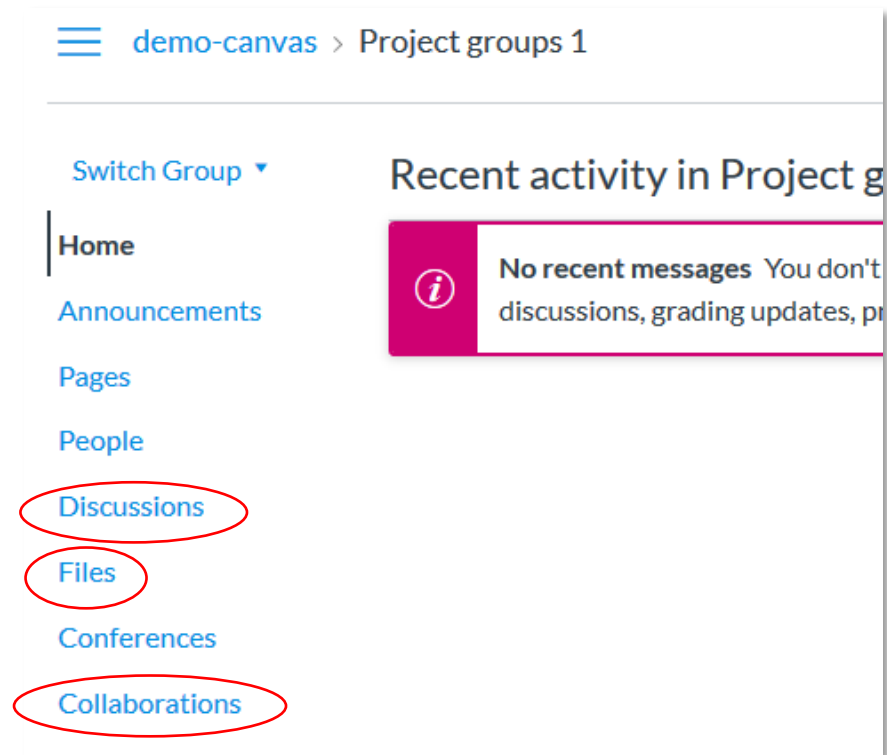

- If you are enrolled in a group, you can access your group page via **Groups**
- If you click on **All groups**, you will see the groups arranged by course
- The group page is also accessible from the **Home** page in a course, or from the **People** page in a course.

CANVAS

COLLABORATE IN GROUPS

- You can use the **group page** to collaborate on group projects:
- Share ideas in group Discussions
- Work together on documents: Files or Collaborations (integration with Google Drive and Office365)

CANVAS

TEACHER ACCESS TO GROUPS

- Be aware that teachers and TA's in the course also have access to the group pages.
- We advise **not** to use the Announcements in a group page, because Teachers and TA's also will receive a notification about announcements in a group pages. Instead, you can use the Canvas Inbox to send messages to your group members.

CANVAS

SIGN UP FOR A GROUP

- It's possible that the teacher asks you to **self sign up** for a group
- To do so: go to People in the course, click the Groups tab and click Join for the group you want to sign up for.

The screenshot shows the Canvas interface for managing groups. At the top, there are two tabs: 'Everyone' and 'Groups'. Below the tabs is a search bar labeled 'Search groups or people'. The main content area displays a list of three project groups. Each group entry includes the group name, the number of students, and a 'JOIN' button. The 'JOIN' button for the first group, 'Project groups 1', is circled in red.

Group Name	Students	Action
Project groups 1 Project groups	0 students	JOIN
Project groups 2 Project groups	0 students	JOIN
Project groups 3 Project groups	0 students	JOIN

CALENDAR

- Check the **Calendar** to stay ahead of due dates and events for all your courses.
- Each course calendar is identified by a separate color that populates the calendar view.

The screenshot shows the Canvas calendar interface for February 2018. The main calendar grid displays events for various courses. The events are:

- 15: 10:45 SP_Graded_Hc 1 (orange)
- 18: Welcome Survey (purple)
- 22: 10:45 SP_Graded_Hc 2 (orange)
- 23: BMY Assignment (iPad) (purple)
- 23: ISSP Lab course 1 (orange)

The sidebar on the right lists the calendars, with 'Canvas democourse' highlighted by a red circle. The list includes:

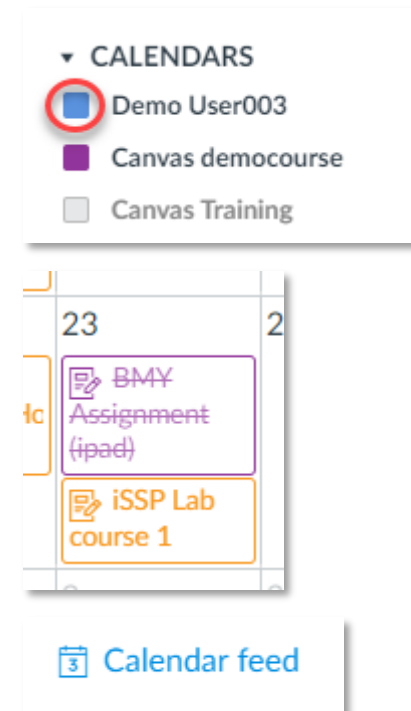

- ▼ CALENDARS
- Demo User003
- Canvas democourse
- Demo course Space Physics
- Getting to know Canvas for University of Twente (lecturers)

At the bottom of the sidebar, there is a section for 'UNDATED'.

CANVAS

CALENDAR

- To hide a calendar, click the box next to the name of the calendar
- Assignments are crossed out in the calendar once the assignment has been submitted.
- Use the **Calendar feed** to import the Canvas Calendar in your preferred personal Calendar tool, such as Google or Outlook.

CANVAS

CALENDAR: SIGN UP FOR AN APPOINTMENT

- It may happen that a teacher asks you to sign up for a certain activity in the Calendar
 1. Click the button Find Appointment on the right.
 2. Select the appropriate course.
 3. Click on the time slot you want to sign up for.
 4. If necessary, add a comment in the Comments field and click 'Reserve'.
 5. In case you want to cancel your reservation at a later moment: click on the reserved time slot and click 'Unreserve'.

CANVAS

BIGBLUEBUTTON

- Your teacher may use BigBlueButton to offer online lectures or office hours if presence on campus is not possible.
- As soon as a teacher has started a BigBlueButton conference, you can join it. If you don't see the Join button after the communicated start time, you may need to refresh the page

BIGBLUEBUTTON INTERFACE

The **Presentation Window** displays the presentation that has been uploaded by the moderator/presenter, or the external video/screen that has been shared.

To open the **Options menu**, click the options icon.

From the **User Menu**, you can view all the users in the conference. You can also chat with another participant.

The interface shows a sidebar on the left with sections for MESSAGES (Public Chat), NOTES (Shared Notes, Locked by Moderator), and USERS (2). The main area displays a 'Welcome To BigBlueButton' message and a grid of interactive tools: WEBCAMS, AUDIO, EMOJIS, POLLING, SCREEN SHARING, and MULTI-USER WHITEBOARD. A bottom navigation bar contains icons for audio, chat, and options.

CANVAS

RECEIVE AND SEND MESSAGES

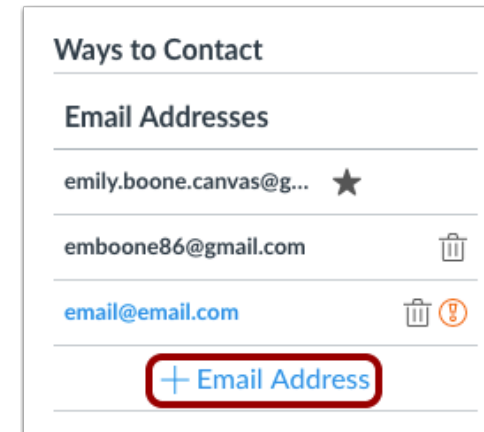

- **Inbox/Conversations** allows you to see messages from teachers and classmates
- You can send messages yourself as well (to teachers, members from your group or other students in the course)
- You can filter the Inbox by course or by group

CANVAS

CUSTOMISE YOUR ACCOUNT

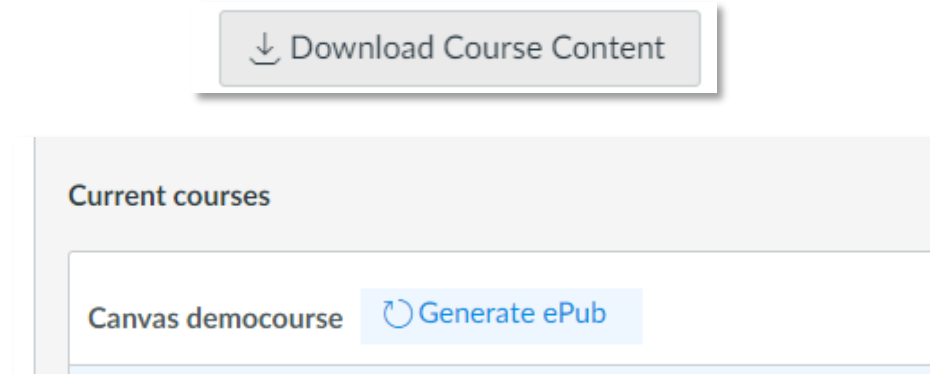

- If you want, you can add a picture under Account > Profile
- In Account > Settings you can add other email addresses (handy if you want to receive notifications in your private mailbox)
- In Account > Notifications you can set your preferences on how you want to be notified about course activities.
- Advise: do not switch off notifications for Announcements and Conversation messages, otherwise you will miss important messages from teachers

CANVAS

DOWNLOAD ALL COURSE MATERIALS

- It's possible to download all materials from a course to a zip file. First you have to ask the lecturer of your course to enable the ePub exporting option for the course. Once that is done, you can:
 1. Go to Account
 2. Click Settings
 3. Click Download course content
 4. Click Generate ePub next to a course.

CANVAS

DOWNLOAD ALL COURSE MATERIALS

- When the process is finished, you will see a 'Download ePub' and a 'Download associated files'. The ePub file can only be viewed with an ePub reader and doesn't contain any files. With 'Download associated files' you can download all files to a zip file.

Download Course Content

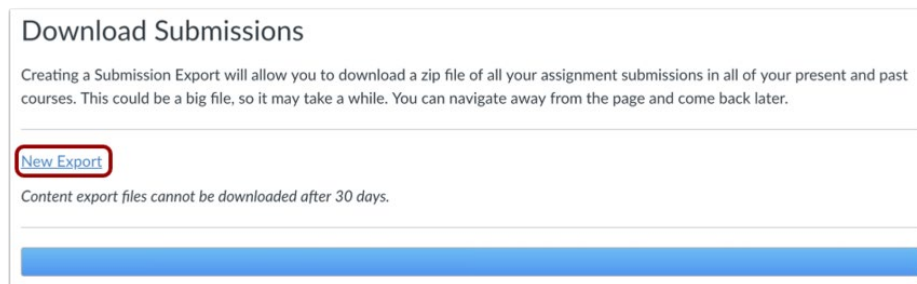

Downloading course content allows access to content when offline. Content may include files, pages, assignments, discussions, and more. You can download content to view.

- It's also possible to download all your assignment submissions from all your courses:
 1. Go to Account
 2. Click Settings
 3. Click Download submissions
 4. Click Create export
 5. When the export is finished, you will see a link 'New export'. Click on the link to download the zip file

CANVAS

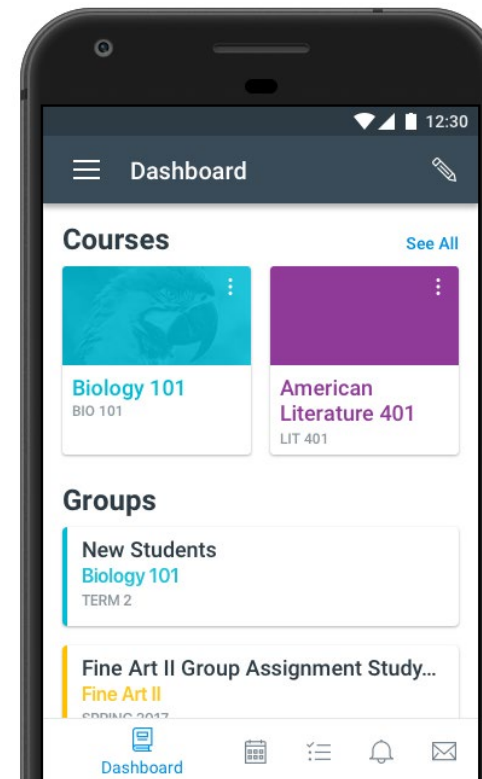

SELF ENROLMENT COURSES

- Canvas also has course pages for things that do not have an OSIRIS course code. For example:
 - Information from your study program
 - Non-regular courses
 - Pages for internships/graduation/study trips
- These courses may be open for self enrolment. You may receive a URL to self enrol, or you may find the course in Courses:
 1. Click All courses
 2. Click Browse more courses
 3. Select the checkbox 'Open enrolment courses only' and use the search field to search for the course.
 4. When you've found the course, click + Join this course.
