

NIAS-Lorentz Theme Group 2025 CALL FOR APPLICATIONS

The NIAS-Lorentz Program is looking for a researcher to set up and coordinate a NIAS-Lorentz Theme Group (NLTG).

An NLTG is an international group of up to 3 researchers pursuing cutting-edge research that bridges the Humanities and Social Sciences with the Natural and Technological Sciences. The NLTG project should have close links with the Dutch research community.

WHAT WE OFFER

- 3 fellowships, February-June, at Netherlands Institute for Advanced Study in the Humanities and Social Sciences (NIAS), Amsterdam
- stipend or teaching replacement
- 1-week Lorentz Center workshop with organizational support

YOUR PROFILE

- at least 3 years postdoctoral research experience
- affiliation with a university or research institute
