

Reports – Lecturer, Examiner & Support

| Menu in Osiris Lecturer (Grades) | Report |
|----------------------------------|------------------|
| Grade | Matrix grades |
| Grade | Test performance |

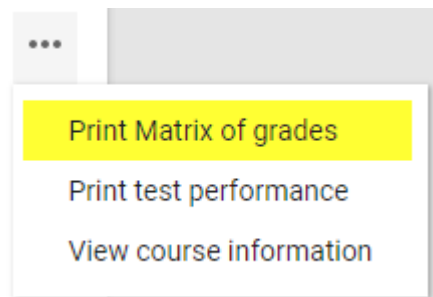

Grade > Report: Matrix grades

Goal:

Create an overview of the grades per test and the calculated end grades of the course.

Printing report:

1. Go to Osiris Lecturer (Grades), click on the menu 'Grades';
2. Select the 'three dots ...' of a test(s) of the corresponding course;
3. Click on 'Print Matrix of grades'

Grade > Report: Test performance

Goal:

Create a statistical overview of the test grades of the course.

Printing report:

1. Go to Osiris Lecturer (Grades), click on the menu 'Grades';
2. Select the 'three dots ...' of a test(s) of the corresponding course;
3. Click on 'Print test performance'
