# DCC AND OPEN SCIENCE

In our shared journey towards Open Science, DCC helps to translate needs of researchers into innovative ICT & RDM support services.

*As a network, we want to support UT researchers and connect them with expertise and services elsewhere inside and outside our university. We work closely with researchers on optimal solutions with a focus on innovation.*

UNIVERSITY  
OF TWENTE.

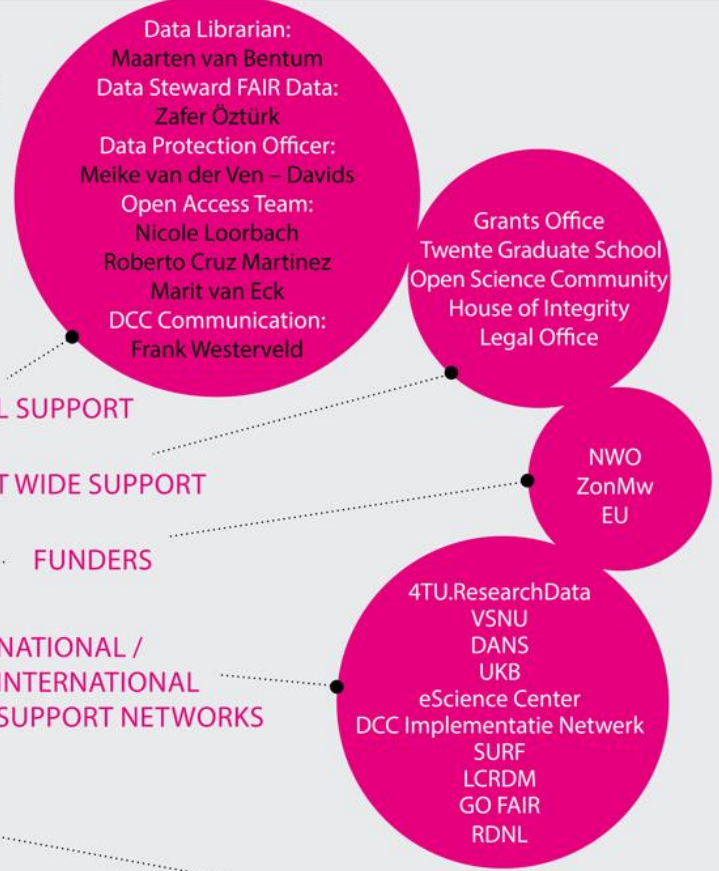

### DIGITAL COMPETENCE CENTRE

- DCC GOVERNANCE + ORGANISATION
- EB > TOM VELDKAMP
- ADVISORY GROUP > UC.OZ
- STEERING GROUP > JAN-LAURENS LASONDER  
HENK SWATERS & WENDY VAN GINKEL
- DCC COORDINATOR > RAISA BIEGA
- DCC CORE TEAM

FAIR DATA - OPEN SCIENCE - OPEN ACCESS

# DCC NETWORK

- **Collaboration with 4TU.ResearchData**
- **Collaborative initiatives**
  - OSCT & DCC (joint thematic sessions)
  - Open Access Team
- **Active participation in Thematic Digital Competence Centres (TDCC)**
  - Life Science & Health (LSH)
  - Natural and Engineering Sciences (NES)
  - Social Sciences and Humanities (SSH)

The logo for DCC University of Twente, featuring the letters 'DCC' in a bold, white, sans-serif font. The letters are set against a dark blue background that has a subtle, abstract pattern of white dots and lines, resembling a network or molecular structure. Below the 'DCC' text, the words 'UNIVERSITY OF TWENTE.' are written in a smaller, white, sans-serif font, stacked in two lines.

DCC

UNIVERSITY  
OF TWENTE.

# EXPERTISE OF DCC AS NETWORK ORGANIZATION

- Research Data Management (RDM)
- ICT for Research (infrastructure, tools, software) & Digitization of science
- Open Science

A decorative graphic on the left side of the slide, consisting of a network of white dots connected by thin white lines, forming a complex, interconnected pattern that resembles a molecular structure or a network graph. The dots and lines are arranged in a way that creates a sense of depth and movement, with some lines extending towards the bottom right corner of the slide.

# DCC CAN HELP YOU WITH

- making the research more open, reproducible, and transparent
- publishing Open Access
- making your research data FAIR: Findable, Accessible, Interoperable, Reusable
- technological tools for (inter)national research cooperation more secure and user friendly

UNIVERSITY  
OF TWENTE.

# DIGITAL COMPETENCE CENTER *TOOLS AND GUIDES*

- Data management plan tool and writing support
- Decision tool managing research data
- Data analysis and visualization tools
- Effective planning and budgeting of RDM costs
- Preserving research data

# DIGITAL COMPETENCE CENTER *COURSES AND TRAINING*

- Research Data Management bootcamp
- Software Carpentry Workshops (May and November)
- Micro-lectures on Research Data Management
- Handling personal data in research
