

## “Vote for Me: Your Voice Matters!”

As a dedicated member of the BMS faculty, I bring extensive experience in quality assurance and programme support. My commitment extends beyond my current role—I actively engage across platforms within the UT, representing BMS in key groups. Originating from the UK, I offer an international perspective.

### My Pledge:

1. **Transparency:** I'll champion clarity and openness. Your voices won't just be heard; they'll shape decisions.
2. **Representation:** All voices matter. I'll ensure diverse perspectives are considered.
3. **Visibility:** Let's raise awareness about the faculty council's role within our community.

I'm dependable, approachable, and eager to listen. Reach out anytime—I'm here for you!
